

TANKER MANAGEMENT & SELF ASSESSMENT (TMSA) – SEMINAR
The One Seminar in 2009 You Cannot Afford to Miss

Dear Colleague:

We are pleased to announce that Hudson Marine Management Services and HudsonSystems will be conducting a Senior-Management level Tanker Management Self Assessment (TMSA) Seminar in Philadelphia on Wednesday, May 6, 2009. The seminar is free and will be held in The Union League of Philadelphia, a beautiful private club of great historic value, at 140 S. Broad Street, Philadelphia, PA. <http://www.unionleague.org>

If there is one seminar you or one of your senior executives cannot afford to miss in 2009, it is this TMSA seminar which will give you an understanding of TMSA and what it means for your shipping operation.

Ian Hunter will be conducting the one-day seminar. He recently joined Hudson Marine and is considered internationally as the "father" of TMSA. Ian's credentials are impeccable: an extensive Quality Assessment background with ExxonMobil, responsible for ExxonMobil's worldwide 3rd party vessel vetting system; he is a former member of the General Policy Committee of OCIMF (Oil Companies International Marine Forum); as well as Chairman of both the Marine Issues Committee of the UK Chamber of Shipping and the Marine Committee in the International Chamber of Shipping.

The seminar will include an online demonstration of Hudson Marine's TMSA IT solution, TMSALogix®™, which is already proving itself as the most relevant senior management support system available. The seminar will conclude with a cocktail reception, allowing you to network with your peers.

Hudson Marine will be conducting two other certificating seminars on May 4 and 5. They are the OPA 90 Qualifier on May 4 and the ISPS Seminar on May 5. Hudson will host a client dinner on Tuesday evening, May 5th, on board the tall ship Moshulu.

We are looking forward to receive your registration to this seminar. Please note that cost for accommodation is not included but we will assist in booking accommodation with a favorable corporate rate.

You can register online at http://hudsonmarine.com/seminar_schedule.htm or you can RSVP to Marikay McKeon-Murphy (Marikay.mckeon-murphy@hudsonmarine.com)
